

Signage for Franchises

Since 1996, Kendal Signs has maintained a unique focus on assisting small to mid-sized franchises with their signage needs. Our ability to provide consistent, well-designed signage increases the likelihood of success and profitability for our clients.

Kendal Signs offers its products and services on local, regional and national levels. However, when compared to larger sign companies, we deliver higher quality products and superior, personalized customer service. Your projects will always be a priority to us.

Whether you currently have a relationship with a signage provider or are in the early stages of establishing one, we would like to encourage you to contact us and discover why Kendal Signs may be your best choice.
